◇ Outline and characteristics of the course for Teacher Training Students

○ Characteristics of the program

The University offers Japanese language and culture classes in accordance with the ability of the student. Additionally, classes in major subjects are chosen by the students under the guidance of their advisors. Students will have opportunities to visit elementary and secondary schools and take part in cultural exchange activities with pupils at these schools.

○ Number of students to be accepted: no more than 3

○ Outline of the course

After arriving in Japan, students receive Japanese language education for six months at another institution before the in-service teacher training program, as explained below, starts at the University of Miyazaki.

- Japanese language education :
Japanese Language , Japanese Culture
- Specialized training
Major subject classes are chosen under the guidance of an advisor. A research plan will also be made with the help of an advisor.
- Practical Training, Participatory subjects such as field trips and regional exchanges
Japanese Local Internship

There is an opportunity to study with Japanese students.

◇ Follow-up for graduates

Advisors keep in touch with their former students through SNS.

A follow-up to courses may be offered at the discretion of advisors.
